# *Global Aperitifs*

---

*Aperitifs have taken the world by storm, and during that golden hour between the end of the work day and the start of a great meal, every country has their own way of 'opening the appetite'. We take you around the globe to taste a selection of signature aperitifs we have created inspired by their respective countries.*

# Global Aperitifs

BAUR'S SPRITZ (Italy & France) 23

*The origins of the spritz lie in the connection between the Austrian Empire and Venice, with the Italians adding a splash of bitters to the already popular 'spritzer'. We reclaim the drink to central Europe by using a delicious Campari and fine Champagne.*

EDIGRONI (Scotland) 21

*Another surprising place to enjoy an aperitif is Edinburgh, where we combine a fine example of their booming gin industry with their love of Montenegro for a floral and spicy take on the classic Negroni.*

PISCOPAM (Chile) 22

*Grapefruit and cranberry enhance the refreshing tartness of the classic pisco sour.*

TRÜFFEL NEGRONI 30

*An earthy, elegant balance of bitter, savory and slightly sweet.*

THE SCOTSMAN  26

*Johnny Walker Black Label, Philipponnat Champagne, raspberries, blueberries  
Baur au Lac Honey.*

THE ICEMAN  20

*Koskenkorva Vodka, Noilly Prat, in-house made bitters.*

# Highballs

---

*Although the popular conception is that classic cocktails are usually served bracingly strong and short in an iconic martini glass or in a big whisky tumbler, the fact remains that throughout the centuries, long refreshing mixed drinks have ruled the roost. Like almost all classic cocktails, highballs are deceptively simple, and when done well – with precisely measured proportions, a focus on quality ingredients and ice (cut in Switzerland), in the correct glass (we import ours from Japan), and simple garnishes that compliment the drink when necessary – they are a thing of beauty.*

---

# Highballs

- HORSE'S NECK 19  
*Light, crisp, and refreshing whisky based longdrink.*
- BAUR'S G&T 22  
*After days of research and testing, we have come up with what we believe to be the perfect 100% Swiss gin and tonic, with an award-winning alpine-fresh gin, herbaceous tonic and tart berries.*
- PALOMA 22  
*The first of two criminally overlooked long tequila highballs, this thirst quenching 'Dove' was created by the legendary ordained Don Javier Delgado Corona in his small bar with no name referred to simply as „The Chapel“.*
- TROPICAL TEMPEST 19  
*The sweet tanginess of pineapple with a zesty kick of lime and the spicy warmth of ginger ale.*
- EL DIABLO 22  
*Unusually for a tequila drink, this became something of a mainstay in Tiki bars from the late 1940's onwards. 'The Devil' has it's fiery ginger beer tamed by lime and a touch of blackcurrant liqueur.*
- DARK 'N' STORMY 19  
*A favourite not just in Bermuda but for bartenders the world over due to the perfect combination of sweet, tropical notes from this classic dark rum and spicy ginger beer, said to be the colour of a cloud 'only a fool or a dead man would sail under'.*

# Digestives

---

*Nothing seals a meal like a splash of something stiff and strong. We have created three stiff tipples to take time over enjoying at the end of the night, perhaps with a cigar.*

---

## SMOKY OLD FASHIONED

20

*A blend of a smoky single malt and a smoky blended Scotch (both exceptional multiple award winners) with a touch of our very own honey and bitters give this Old Fashioned a moody whisper of smoke.*

## NOCTURNE

19

*Sophisticated and rich whisky based drink with vermouth and blackberry liqueur - not for the faint hearted.*

## BANKER'S PUNCH

22

*A complex after dinner delight with spirits from around the world: Irish whisky, Jamaican Rum and Port are perfectly balanced with raspberry and lime.*

# *Gently Twisted Classics*

---

*Although we are happy to make any classic that we have ingredients on hand for, we suggest that you select from our menu of classics, where we have just added the tiniest hint of something extra in each one that you'll only find in our bar...*
