Global Aperitifs

Aperitifs have taken the world by storm, and during that golden hour between the end of the work day and the start of a great meal, every country has their own way of 'opening the appetite'. We take you around the globe to taste a selection of signature aperitifs we have created inspired by their respective countries.

BAUR'S SPRITZ (Italy & France) 23

The origins of the spritz lie in the connection between the Austrian Empire and Venice, with the Italians adding a splash of bitters to the already popular 'spritzer'. We reclaim the drink to central Europe by using a delicious Campari and fine Champagne.

EDIGRONI (Scotland) 21

Another surprising place to enjoy an aperitif is Edinburgh, where we combine a fine example of their booming gin industry with their love of Montenegro for a floral and spicy take on the classic Negroni.

ETSU (Japan) 22

A zesty blend of grapefruit juice and yuzu as a base. Floating above is a striking green layer of matcha and Japanese gin. Refreshing, aromatic, and visually stunning.

BONDS ON THE ROCKS (CUBA) 19

Rich and refreshing drink that harmonizes deep, dark berry flavors with the warmth of aged rum. Slightly tart and refreshingly crisp, this cocktail is both bold and easy – drinking.

THE SCOTSMAN  26

*Johnny Walker Black Label, Philipponnat Champagne, raspberries, blueberries
Baur au Lac Honey.*

THE ICEMAN  20

Koskenkorva Vodka, Noilly Prat, in-house made bitters.

Highballs

Although the popular perception is that classic cocktails are usually served bracingly strong and short in an iconic martini glass or large whisky tumbler, the fact remains that long, refreshing mixed drinks have ruled the roost for centuries.

Like almost all classic cocktails, highballs are deceptively simple, and when done well - with precisely measured proportions, a focus on quality ingredients and ice (cut in Switzerland), in the right glass (we import ours from Japan) - they can be a real treat, and with simple garnishes to complement the drink where appropriate, they are a thing of beauty.

HORSE'S NECK

19

Light, crisp, and refreshing whisky based longdrink.

BAUR'S G&T

22

After days of testing, we've crafted the perfect 100% Swiss G&T—alpine-fresh gin, herbaceous tonic, and tart berries.

PALOMA

22

The first of two criminally overlooked long tequila highballs, this thirst quenching 'Dove' was created by the legendary ordained Don Javier Delgado Corona in his small bar with no name referred to simply as „The Chapel“.

ST. TROPIQUE

19

Delicate elderflower notes blend seamlessly with cucumber and pineapple. Topped with prosecco, the St Tropicque is floral, light and bubbly.

EL DIABLO

22

Unusually for a tequila drink, this became something of a mainstay in Tiki bars from the late 1940's onwards. 'The Devil' has it's fiery ginger beer tamed by lime and a touch of blackcurrant liqueur.

DARK 'N' STORMY

19

A favourite not just in Bermuda but for bartenders the world over due to the perfect combination of sweet, tropical notes from this classic dark rum and spicy ginger beer, said to be the colour of a cloud 'only a fool or a dead man would sail under'.

Digestives

Nothing seals a meal like a splash of something stiff and strong. We have created three stiff tipples to take time over enjoying at the end of the night, perhaps with a cigar.

SMOKY OLD FASHIONED

20

A blend of a smoky single malt and a smoky blended Scotch (both exceptional multiple award winners) with a touch of our very own honey and bitters give this Old Fashioned a moody whisper of smoke.

ROSELLE

19

Floral notes of hibiscus intertwine with the bright, juicy depth of red currant, while gin adds a botanical elegance. Decadent sweetness balanced by refreshing vibrancy.

APPLE OF MY EYE

19

Crisp cocktail that strikes a perfect balance between green apples tart essence and Tequila's smooth complexity.
